T!CA HOLIDAY, Musician ([About](#))

Artist on music track and Dancer in straw outfit

T!CA HOLIDAY is an up and coming Artist from a small island in The Bahamas. Although the island she grew up on is just a speck on the world map, T!CA is on her way to making a big splash in the world. Vocally and Classically trained, this Bahamian Artist has been professionally working as a musician for almost a decade. After being signed with a label in the past and shopping for a new label now to call home T!CA is always working on fresh new sounds. Currently being developed and rebranded by Derek Brin (Ne-Yo Jaheim, Dianne Warren Robyn) and Chris Martin in Toronto at Post Office a state of the art Production and Artist Development Company and Recording Studio in Toronto; Canada T!CA has always been a fresh unique sound whose tone is unmatched and style unique. Currently she's working on new music and content with Derek Brin and Post Office to create something unmatched that will surely have everyone in the music world taking notice in the months to come. This young and fresh 23-year-old is definitely not one to miss but we doubt you could.
